## PLACEMENT DRIVE

2024

This report summarizes the campus placement drive conducted by Kareercoach at Asha Ram college of Nursing on 04/09/2024 for B.Sc. final year batch.

It details the recruitment process, student participation, selection results, and feedback received from both the company and the participating students.

KareerCoach is a platform that offers career guidance and resources to students and professionals. It aims to help individuals explore career options, develop necessary skills, and find suitable employment opportunities. However, information readily available online about KareerCoach specifically is limited. It's possible it's a smaller, regional, or niche service, or perhaps the name is slightly different.

**Career Assessments:** Tools to help individuals identify their strengths, interests, and values to suggest suitable career paths.

**Career Exploration Resources:** Information about different industries, job roles, educational requirements, and salary expectations.

**Skill Development Workshops/Courses:** Training programs to enhance skills relevant to specific careers, such as resume writing, interview skills, communication skills, and technical skills.

**Mentorship Programs:** Connecting individuals with experienced professionals in their field of interest for guidance and support.

**Job Search Assistance:** Help with resume building, cover letter writing, job applications, and interview preparation.

Networking Opportunities: Connecting individuals with potential employers or professionals in their field.

Their visit to our campus aimed to recruit talented students graduates for nursing roles.

Kareercoach followed a detailed selection process such as group discussion, question – answer session and doubts resolving session.
